BUSINESS CONFERENCE

INVITATION

The Marshal's Office of the Lublin Province, the Polish Consulate in Sydney and the event coordinator, Expo Trade, have the honour of inviting you to the conference "Discover the Potential of Polish Products".

The conference will be held on 2 October 2024 between 10:30 and 15:30 at the Polish Consulate in Sydney, 10 Trelawney Street, Woollahra and we would be honoured to have your presence and participation.

The conference will be attended by representatives of the Marshal's Office in Lublin together with 27 mindfully selected companies from Poland representing the food, furniture, education and IT industries. All companies have resources and products enabling cooperation with Australian partners.

Your insights and contributions will be invaluable as we discuss the prospects of establishing and expanding the business links between Australian and Polish companies. We aim to foster a collaborative environment where we can share ideas, address challenges, and explore new opportunities.

It would be our privilege if after the conference you could join us for a networking session and a business lunch.

Kindly confirm your attendance by replying to this email or contacting Pawel Szydłowski at biuro@expotrade.pl or +48 669 298 207 (also through What'sUp).
